“ *Kurt, I remember your sister from years ago and of course I remember you and your parents. You and her family have my sincere condolences. If we did not have a wonderful afterlife to look forward to, the loss would be so much greater. We will all meet again someday in the greatest place.*

“ My thoughts and prayers are with you at this time. I worked with Debbie at Windham. I still have a necklace that she gave me several years ago and I wear it often. I think of her everytime I wear it and will continue to do so.
