“ *Debbie, always full of love and joy. What a blessing to know this beautiful soul. She had a smile for everyone and loved life to the fullest. It was a great privilege to be her friend. The world is a darker place without Debbie's bright light that shined for all to see. It's not goodbye forever, but until we meet again. I love you, Deb*

“ *The sweetest most loving woman that took me under her wing and loved me unconditionally as a mom, raised me up, guided me, supported me in every part of my life, showed me how to love and give love with no expectations of it coming back. She showed me how to be strong, speak my mind, be honest even if it hurts someone's feelings. You were and still are a major impact in my life. I'm forever grateful and blessed beyond measure to have you in my life.*

God has healed you head to toe. I love you beyond measure.
