

Deborah Kay Marshall Halter

October 2, 1954 - December 30, 2011

Deborah Kay Halter Deborah Kay Halter, 57, passed away December 25, 2011, after a courageous battle with inflammatory breast cancer. Debbie was born October 2, 1954 in Houston, Texas. She is preceded in death by her parents, Clem and Mary Marshall and brother-in-law, Danny (Sug) Slott. She is survived by her sister, Pat Slott; brother Donnie Marshall and wife Linda; daughters, Stephanie Jackson and husband Richard, Christie Bryant and husband Joe; sons, Charlie Wilkerson and Justin Halter; grandsons, Joe, Keelious, and Tharell Bryant; numerous aunts, uncles, nieces, nephews, cousins and friends. Debbie was a very active parishioner of St. Joseph's Catholic Church having been a member of the church choir and running the bazaar auction for several years. With the Knights of Columbus Ladies Auxiliary she helped with the fish fries and the bar-b-que cook-offs. Another passion of hers was the annual library cook-offs. Even with a rare and rapidly changing disease, she always had a positive attitude and hopeful outlook on life that could never get her down. Debbie never worried about herself, always putting others ahead of her. With a friendly hello and a beautiful smile on her face, she never met a stranger, you instantly became her friend. A special "Thank You" to her friends and co-workers at Women's Health Care Affiliates, the Knights of Columbus Ladies Auxiliary, and the Odyssey House from Conroe. Visitation Thursday, December 29, 2011, 5:00 - 7:00 pm with Rosary following at Sam Houston Funeral Home in Huntsville. A funeral mass will be celebrated Friday, December 30, 2011, 11:00 am at St. Joseph's

Catholic Church in New Waverly. Interment will follow at Shepard Hill Cemetery in New Waverly. Those wishing to leave memorial condolences for the family may do so at www.shmfh.com

“ *So very sorry about your great loss. Growing up in New Waverly I only have great memories of Debbie her kindness and always having a good nature and possitive attitude about life. We have been out of State when we heard the news of her death. I would have been there at the funeral if at all possible. She will be very missed by many and loved by many.*

*Sincerely,

“ To Debbie's family,

My heart goes out to each of you. I know each of you loved your mom, your sister, your sister-in-law, your aunt dearly, and you will miss her so much. Debbie left us much too soon, but she left us with so many good memories. I know each of you has a special memory of her, and in the days/weeks/months/years to come other memories will pop into your mind at the oddest times sometimes making you smile..... sometimes making you cry, and that is OK. It means she will always have a special place in your heart.

I, too, have so many memories of Debbie..... as a little dark headed girl with a sweet smile, as a popular teenager, as a blushing bride, as a proud mother and then grandmother, as a beautiful soloist at St. Joseph's, as a tender caretaker for Clem and Mary, as the leader of the wedding march for both Courtney's and Stephanie's weddings, and, most of all, as a friend. I could always look at each of you children and see something of Debbie in you...

Stephanie-your work ethic and inclination to always take care of the family; Christy-you look and act so much like your mom--you know I would always call you Debbie by mistake; Charlie-the way you tilt your head and your laugh; Justin-your sweet smile and good manners. Your mother raised all of you well, and she was so proud of each of you. Lean on each other during this sad time, and remember, "Family first!"

God bless all of you,

“ I am very sad to hear about Debbie. We became good friends working on the church bazaar and the K.C. cook-offs together. Debbie had a way of making it fun while getting the job done. I will miss her laughter. She will always be in my thoughts and prayers.

“ It seems like Debbie has always been a part of my life; from the time we were girls playing to the last dozen or so years we were reacquainted. There aren't enough words to express the sadness I feel in losing her as a part of my life. She was always a "glass half full" person with a ready smile no matter what life sent her way. My heart goes out to her family. Debbie, there will be an empty space in my heart until we see each other again...I love you.

“ I don't know how to say how much Debbie Halter meant to me. I truly cared for her from the moment I joined the choir here in New Waverly. She shared my name, and she was a kind soul from the beginning of our meeting. I will truly miss her. I know that God puts people in our lives for a reason. She was an angel that I will truly not forget. I pray that her family will know that she will be truly missed at St. Joseph. I hope that they will be able to continue the Polish influence that we miss up here for her and the whole Marshall family. God Bless the family. Sincerely, Deborah Creppon

“ *Debbie was truly an inspiring lady. She was always willing to help anyone with anything, no matter what. Not only was she beautiful on the outside, but she was on the inside as well. I was blessed to have her as my friend, and even though we weren't actually related--we were family. I will miss her dearly. The world was a better place with her in it and there will be a huge void in everyone's life that knew her and loved her. But take comfort in the fact that she is in a better place, out of pain, and reunited with all of her loved ones. Also take comfort in knowing that she is up there watching over us. My thoughts and prayers go out to you all and I love each and everyone of you.*

“ This precious lady will truly be missed by all that knew her. Her beautiful smile, her kindness & all she gave to the community no matter if it was the church, kc hall, library, you can guaranty she was running the show & making all of us kids work too. I will never forget all of those late nights of going to bingo with her, Aunt Pat & Christie. Not to mention all of the weddings! Heaven now has a beautiful angel to sing to them. She is with all that have gone before her & no longer in pain. My thoughts and prayers are with all of you in this very sad time. Just remember she is always with you in your heart & all the many wonderful memories. Love, Angie
