“ *My condolences to the Isaaks and Molk families. I am sorry to hear about the loss of your dear loved one. Some Bible scriptures that have helped me during times of loss include Psalms 37:29 and Isaiah 26:19 which state: "Your dead ones will live...They will rise up." And the Bible also says "The righteous will inherit the earth and live forever upon it." Therefore the Bible promises that we may be reunited with our loved ones lost in death by means of an earthly resurrection. This is further confirmed by John 5:28,29 which says "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." This is possible thanks to Jesus Christ's ransom sacrifice. Therefore we have the genuine hope of everlasting life in a world without wickedness or suffering. I hope these scriptures will bring some comfort to you. For more encouraging thoughts on this subject, please visit www.jw.org*
