“ *Charles, you know how much we loved LaVonne. She was the kindest, most thoughtful and caring person I have ever known. I have so many happy memories of times spent with her as well as the times the four of us would just run down to McDonald's for a milkshake. I am so grateful that you all lived across the street. We will both miss her so very much. We pray that God will comfort you and give you strength through the days ahead. You have a wonderful family for a support group and they are all strong so lean on them and us as you need to.*

“ Charles, our deepest condolences to you and your family. Lavonne taught me so many neat things when I began working with her in Early Childhood Classes. I'll cherish the times we shared at school, our phone talks and home visits. Especially, her spiritual talks. She had a big heart and I learned from her example. All His love and Prayers.

“ Charles so sorry for your loss. I got to meet Lavonne thru Stella Martinez. She was a delight to be around with. We had a pleasant lunch and visit with her. I will always remember her for her generosity and hospitality. I still have a plant that she gave to me. Her faith was strong and left an impact on my life. I will always remember her.
