“ *My deepest condolences to Dennis's family. Dennis taught me how to fly a taildragger in his "Texas Taildragger Cessna 152." Dennis was an amazing teacher, patient, professional, relaxed and fun. His love for aviation was evident the entire time we flew together. He'll be missed.*

“ Word's cannot describe the loss of this fine gentleman. When I came to the Conroe airport Dennis was one of the first people that I met. He immediatly put me at ease and soon became a friend that I would treasure for the rest of my life. I was heart broken when I received news of his accident. You will here from many more like me as Dennis was just that kind of person. Please know that we will all share your loss and pray that you can take some small comfort in knowing that he was loved and will be missed by all.

“ Captain McCright was an excellant airman ~ we'd both worked at Frontier and I flew co-pilot for him on the 737 at Continental as well. Kind gentleman and very much a professional. To his family, you are in my thoughts and prayers.
