“ *No words can describe the loss I am feeling for such a wonderful woman. I am forever grateful to have known Diana. She loved her family with all of her heart. She listened to many with an open heart and was always the first to step in when needed. There was no second guessing she always stepped up to the plate for so many and we should all be so privileged to have had her as an example in our lives. May God Bless you and shine his favor upon your soul. May the love and peace that surpasses all understanding be upon you in heaven now and for always. Your beautiful soul will continue to shine in our hearts.*

“ I worked with Diana in 2005 at Bentwater Sales Corp. I always liked her. She lit up a room when she walked in. I have always admired her because she just had it together, and when she didn't, she just laughed it off. We haven't kept in touch. We've had several real estate transactions and I always liked seeing her name on the other side. Prayers for you Gary and your family and for David, too. This brother/sister had a special bond. Peace be with all of you.

“ I worked a very short time as a receptionist at Keller Williams, while she was an agent there. I may have not know her for a long period of time but, she definitely left an impression. She always had a smile on her face, was very helpful and was always one to say "thank you". She had a very vibrant and kind personality. She had a genuine heart. Heaven definitely gained a beautiful angel!

“ Gary, Kelly, Jenna & Madison: My heart is breaking for all of you and your families...Diana was the sweetest ever. I've known her for 25 years and although our paths crossed and uncrossed, whenever we would see each other, we would pick up where we left off. I loved her dearly and had so much fun whenever I was around her. We could get serious but we always ended in laughter. I am so very truly sorry for your loss.
