“ *I worked with Diane a very long time at The Hartford. She was an outstanding claim professional. Her grit and passion was like few I have ever encountered. I have missed her since she retired. When she did come back and visit the office, I always got a hug. My thoughts and prayers to her family.*

“ *Diane and I worked together for many years at The Hartford. She was a hard working woman! I was so excited when she announced that she was retiring because she wanted to be a part of her grandchildren's lives. Diane was an honest upfront woman and had a wonderful laugh. She is missed dearly and I pray that she left a fabulous legacy for her grandchildren. My heart aches for your loss.*
