“ My Mommague...I am lost without you and miss you so much. I laugh and cry as I think about so many memories of times together. I so wish I could get one more hug and kiss. I remember Rhonda and I singing with you to all the record albums when we had no money to go to movies or the mall. You made fun for us in so many different ways. Rest in complete peace my mommague..Sissy and I are going to take care of each other now. ❤️❤️❤️

“ My dear sweet mom, my big d. I couldn't have asked for a better mother. She was kind, and had a heart the size of texas. She loved animals and her family was the most important thing to her. We grew sooooo close these last few years and im gonna be lost without her. She will always be in my heart.

“ *Dianna, my beautiful cousin, my sister, my idol. I adored you as we were growing up and loved the time we spent together. I wanted to be just like you as I watched while you did your hair and makeup. We laughed so hard and shared secrets even when we grew up. I know you are one of God's most special angels, and you are smiling sweetly down upon us all right now and comforting us with that soft, sweet voice saying "All is Well With My Soul." Love and miss you forever, Eleanor*

“ *My sister (sis). Have many fun memories growing up with her. She Loved her family, pets of all kinds, enjoyed watching movies and made great potato salad. Dianna always had a kind word and would often text just to say she was thinking about me. We all will miss her. Sis; I know your place in heaven will have a nice Texas styled door on it. I love you .
