“ *My life, as it now exists, began with a phone call from Dodd Gatsos. 13 years ago almost exactly to the day, he called to tell me about a job opportunity in the Columbus, Ohio area, which he thought was ideal for me. He knew me better than I knew myself at the time, I think, and today I have a career, a life and a family that goes along with it to thank him for.*

*Barbara, Brent, Duke, Steve and Jello, whether you know it or not, you have all been a second family to me. Genelle & Ward drove me to Young Life (stop steering with your knees, Ward) as a freshman at Bay High. Duke was and still is a pud. I was always welcome at the house, and Brent even set me up with a REAL job interview at Braden-Sutphen when I graduated (barely) from BGSU.*

*I am so very sorry for your loss, as I sit here in unexpected tears typing this totally inadequate note to Dodd's family, I will simply say that he was an amazing friend, truly loyal, and that until right now I don't think I ever properly gave him credit for how much he affected and improved my life.*

*I pray that the entire family will have the peace and solace that only God can provide, and know that the Nickel family - Jennifer, Wyatt, Michelle and Kit are all praying for you.*

“ My memories of Dodd go far back to the kindergarten class at Parkside Church. The Gatsos family and especially the children have been thought of often and prayed for as I passed the old residence in RR. I recall the few times I picked up the 3 children how sweet they were. I am so sorry that your son and brother is gone and I pray that your souls' will find comfort in knowing the love of the heavenly Father in this time of sorrow.
