“ Words can't describe how sorry we are for your losses. Here is a poem I wrote for Rocky's grandparents. I think it's appropriate for your loss as well.

*I feel you when the sun shines down,
When the wind is blowing all around.*

*Cancer took you far too fast,
But love and hope make memories last.*

*I know you're both always nearby,
Making me smile when I want to cry.*

*I miss your laugh, your touch, your love,
But I know you watch now from above.*

“ *My thoughts and prayers are with you and your family. I cannot imagine the feelings y'all must have at the passing of both brother and mother at the same time.*

All I can say is God bless and I hope you can find some bit of peace in the coming days.

James, Charlotte, Garrett, and Shelby may God put his arms around you and shield you from any additional pain.
