

Dominga Ortiz-Mendoza

August 4, 1944 - January 4, 2025

Our mother, Dominga Ortiz-Mendoza was born on August 4th, 1944 to Emilio Mendoza & Maria de Los Angeles Tinajero, in Tamaulipas Mexico. In 1971 she made the life changing decision to migrate to the US to pursue her American dream and set her family roots.

She began her journey by marrying the love of her life, Miguel Ortiz, on May 10th, 1964 and soon after created their family. She leaves behind a legacy that will continue to thrive through her children, Marvelia Ortiz-Martinez, Miguel Ortiz Jr., Gricelda Ortiz, Roberto Ortiz, Beronica Ortiz, Daniel Ortiz, Ricardo Ortiz, Amando Ortiz, and Roxana Ortiz. She was also blessed with 42 grandchildren, 43 great grandchildren, and 1 great-great grandchild.

Throughout her life she taught us invaluable lessons about the importance of hard work, generosity, and kindness. She lived by the principle that sharing with those in need was a gift because her heart was always open to others. Forgiveness was her greatest attribute. She offered love and acceptance to those who crossed her path.

On January 4th, 2025 our mother gained her wings. She had the honor of having her entire family by her side surrounding her with the love and warmth she had always given to others. As she joins the Lord, we take comfort in knowing that her spirit lives on in each of us, and that her love will continue to guide us every day.

Rest in peace, Mom. You will forever be loved and missed.
