“ *To Scot's Family:*

I was so sorry to hear the news. I had the pleasure of working with Scot at Hess when I joined the company. He was always a hard worker and willing to help others. We will all truly miss his smile and the happiness that he brought into our lives.

Your Husband and father was a great man and a terrific person. Scot was unique, inspirational and indeed a kind spirit. He set the example for many by his high moral and ethical standards in both work and with those whom he encountered on a casual basis. The one thing for sure about Scot is you knew that he and the Lord were inseparable.

I am truly saddened by his passing and I can assure you in the years to come I will continue to reference Scot to my friends and colleagues as that one person whom you could trust and respect because of his genuine human qualities. His strength came from the love you all gave him and when he was working with me in Canada he would confide to me that Terry was the "love of his life" and the girls his "pride and joy". Be proud of him as I know you all are. We will miss him very much. Godspeed!

“ Terry and Kids
I am so sorry to hear about Scot. He was a wonderful person and a great friend. What a loss to this world! I talked to him about two weeks ago and he said he was takng a leave of absence from work to cure this disease He found the cure because he is with the Lord. The pain is gone. Unfortunately we feel the pain of his loss in our world. He is and will be missed by us all.

If Laurie and I can do anything to assist you, we are a phone call away.

I am sorry that we cannot attend but I am out of town. Our thoughts and prayers are with you.

“ Dear Haines family,

My heart goes out to you. I had the pleasure of meeting and getting to know Scot here at Hess. He was such a wonderful and positive man of God who was always willing to listen and share. Scot gave me such wonderful advice when I was planning my wedding and gave me great tools to use in my marriage. Scot told me on multiple occasions "marriage is the best thing on this side of Heaven". I know he loved his family and he is in a better place. Scot was a blessing and a joy to know. I hope you can find the peace and joy of the Lord in this tough time.
