“ While I didn't know Don well, I do know that he brought so much joy, laughter and adventure to my Aunt Pat's life. I love him for that. They lived life on their own terms and I admired them for that.

I am so very lucky that my life was touched by theirs and I will miss them greatly.

The Hayman family is in my thoughts and I am so very sorry for your loss. Love for you from Pat's family.
