“ *Edith, Stan & I are so sorry for your loss. We know God will give you the grace and strength to walk each day with him. Know that we love you and so regret that we won't be able to attend the memorial service. I did send an email to our 42 group about the service. I know it will give you great comfort for your choir to sing at the service. We will be praying for you.*

“ My prayers go out to Don's family in the loss of a great person. Don was always a cheerful and encouraging person whenever I was around him. This was just not only at church. It was great to just visit with him. Edith my prayers for our Lord to give you more strength and comfort during this time. I know you are strong and loved Don. I remember when both of you told me about getting married. I was happy knowing God put you together. Both of you have been encouragers in the past for me. I just say to the rest of the family I was blessed to know Don and Edith. Again I just want all of you to know you are in my prayers.
