“ Fern and Wayne, I was so saddened to hear about Donald and Jeanne. I was unable to attend the Memorial in Mansfield. I remember living in Westridge and Donald and David taking me into their pack. We wandered all over those woods with machetes, built forts and killed copper heads. Those were wonderful memories for me. I will always keep those fond memories of Donald in my heart. What a wonderful son to have. I will always see his fabulous smile and upbeat attitude. Keep all your memories in your heart and share them freely with your granddaughter, much love to you two.

“ Fern and Wayne, Donald was another "son" as our boys were growing up. We cannot even begin to comprehend your shock, sadness, all the emotions you and your families are experiencing. We always loved Donald's smile, his tenderness, sense of humor and love for you and then for Jeanne & Ayden. So, our hearts are broken, we are crying so many tears with you and for Ayden and wondering "why". But we know that God's Love, Grace, and Strength will hold you in His Arms. You are loved by so many friends who are keeping you, Ayden, Jeanne and Donald in our hearts and prayers forever,.

“ Mr & Mrs. Frosch,
I was shocked and saddened to hear of the tragic accident and the passing of Donald & Jeanne; I can't begin to imagine your family's grief. I was fortunate enough to share many years at HISD with Donald so the last few days have flooded my mind with memories of my friend. It's through heartache and tears that comes a tremendous sense of appreciation for being blessed enough to have been part of his life. Although it is a terrible loss for us all, there is no greater loss than that of a child so it's for you I send extra love and prayers for God's comfort during this most difficult time.
