“ *Sorry to hear about Don. I also worked with him at GC and was part of the lunch bunch. He was fun to be around, never knew what he was going to say next. When I first met him, he was driving an old dilapidated red truck, I used to tease him about it all the time. I will miss him.*

“ *I would like to express my condolences to Don's family. I worked with Don from 1989 until I left GC Services in 1999. Don had continued to meet with a group of us over the years for informal get togethers. He will be missed.*

“ I too am very sorry to hear about your loss. I also worked with Don Butler at GC Services for some ten years, in fact, we always shared an office during those many years. I was also a part of his lunch group where we tried to meet every month or so to catch up on everyone's families. I considered Don to be a dear friend and many times we have had him for dinner at our home. I would very much appreciate it if one of you would contact me as to what happened as I have not seen him since February 2008.
Sincerely, Carolyn Pederson

“ I am very sorry to hear about your lost. I am not sure if this is the Don I worked with at GC Services 10 years ago. I would like to know for sure. We met many times for lunch since then as a lunch group from the old job and we were planning on meeting again before Christmas. Please let me know for sure if this is my old friend Don Butler (the phone I have for him is 713-434-1050). I appreciate if you send me a note and I am really sorry to hear about your lost. I am praying for the family. Thank you. Liliane Tomazinis
