“ Bubba,
J.D. called me about your dad. I sure am sorry to hear of his passing. I too just lost my dad the 18th of December. Even though its the nature of things to come, I find it very difficult to let him go. I know how hard these things are for you and your family. I will keep you in my thoughts and prayers. Im still in Law enforcement in Central Illinois. Guess I made a wrong turn and never got back to the right road, but its been a satisfying career. I hope you and your family grow closer from this event and find strength in one another.
Your Friend,
Mark Ford

“ Dear Sharon and Family, It was such a priviledge to care for PeeWee during his time at home. It was evident from the moment I met him what a truly loving individual he was. He smiled and joked right from the start! Watching your family was an inspiration to me and an example to all who know you. Please know that you are in our prayers and we will continue to assist you in any way possible. Sincerely, Tami Dees, RN THEE HOSPICE

“ *To the Hoke Family:
I am so sorry to learn of the loss of Pee Wee Hoke. I have always thought of the Hokes as almost family; I grew up listening to my grandfather, W.L. Moore, proudly tell stories about Bedia Hoke, Buddy Hoke, and Pee Wee Hoke and the adventures they shared while traveling the world pipelining for Brown & Root. The Hokes are good folks. Tough folks. Hardworking folks. The kind of people my grandfather admired. Pee Wee Hoke will be missed.*
