“ *To the Lowes family. My deepest sympathy to each of you as I have learned of Dr. Lowes passing. Dr. Lowes was my ENT doc from the time I was like 3 years old into my 20s. He also was a great friend to my now late father Clyde Robert "Bob" Young. Dad sold Dr. L a boat many years ago. I have such great memories of him. Considering I was always sick growing up and in some kind of pain doc always could make me smile. I will never forget his smile, the gum chewing and that head gear he always wore. He always would laugh and tell me that a procedure was hurting him worse than me. Lots of love to all of you and may your hearts find peace in knowing that so many of us had the blessing to have our lives touched by Dr. Lowes.*

*Melissa Young-Guillaume
Daughter of Clyde Robert "Bob" Young*

Melissa Young-Guillaume - August 27, 2012 at 04:20 PM

“ *Sandy,
Just know you and your family are in my prayers at this difficult time. I enjoyed my association with Dr Lowes when I was working as an RN at University Heights Hospital and later Community Hospital South. I found him to be a very congenial and receptive physician when taking care of his patients.*

*God Bless you!

“ *Sandy and Family: We are so sorry to hear of Don's passing. He was a resident at Methodist when I was an intern there and we both enjoyed working with him at Johnson Memorial. We enjoyed our professional connection, but spent more of our time talking about our Boilermakers. Don is sadly missed in Johnson County as well as Texas. May God Bless You in this difficult time.*

Tom and Jenni Small - August 18, 2012 at 08:50 PM

“ *The news of Don's death brought sadness but also fond memories. At Johnson Memorial our offices were adjacent to each other. We frequently shared conversations about family, the practice of Medicine, and future retirement. Don was always an avid and informed participant on any topic. I suspect that he is now repairing that clock which was prominent in his retirement plans. His positive gregarious nature will be missed.*

“ *Mrs. L, Mike and Kristen - I was devastated when Dad gave me the news today of Dr. L's passing. I have very fond memories of visiting your family at your home during the high school years and remember Dr. L as a generous and just super nice man. My thoughts and prayers go out to all of you, I know it's been a very long time since we've seen each other, but I still hold all of you very dear to my heart. I know it's small comfort, but knowing he's with David now made me smile. Miss and love ya - Meg*

“ Sandy, I am sorry to hear of Don't passing. I'm a friend of the Beelers who frequently enjoyed your gracious hospitality at many Purdue football games during the 80s and 90s. Don was a loyal Purdue fan and very generous with his enthusiasm, especially to the refs, to whom he was always kind in his public praise of their talents. Seriously, your support of Purdue goes beyond football and affected many people like me, whose appreciation of one's alma mater was built by the spirit and gifts of people like Don. His goodness was truly shared and affected many people, close and far away.

“ To Don Lowes Family, It was sad to hear of the passing of Dr. Don Lowes. It was a pleasure to know him. His Mother was my 1st and 4th grade teacher at Wanamaker Elementary School. He was an extern at St. Francis Hospital when I worked there. He was my parents ENT Doctor (Bill and Bernice Lowes) and last but not least, he repaired my Great Grandmother's 1921 clock.(It is still running today.) Our lives were certainly touched by someone very special. With Deepest Sympathy, Effie Marie Hogue(Lowes)

“ Sandy,mike,andKristen,I was so sorry to hear of Don's passing. Please accept my deepest condolences. don was a great teacher to a young doctor years ago. I was fortunate to have worked with him and to have learned from him. he had a special bond with his patients who revered him. This was evident by the constant stream of gifts his patients brought to him. at Christmas he received more packages than all of the rest of us combined. we were all jealous of him. He was always kind enough to participate in our standing joke that he was our most successful rhinoplasty patient. please know that he will be missed. Brad Goff

“ Sandy and Family,
Dolores and I were very sorry to read of Don's death. We wish you and your family the very best. You were the very best flower girl and we enjoy your picture whenever we show our wedding pictures!

“ Sandy, Dr Don was our family's ENT. I worked with him in surgery at St Francis, and I considered him a friend. My daughter Kristen grew up with your Kristen in Center Grove & they entered Purdue together. She credits him with teaching her to water-ski. He also fixed her nasal fx (softball injury) years later. He was a great Dr as well as a very compassionate man. I am sorry to hear of his passing and the prayers of my family are with you & yours at this time.

“ To Dr. Lowes Family,

My deepest sympathy to Mrs. Lowes and the family at this time.

It was my privelege to know Dr. Lowes when I worked at the Johnson Co. Mem. Hospital back in the early 1980's. Rare for a Doc, he always spoke to me when he saw me in the halls or back in surgery. So sorry to hear of his passing.

“ To Don's wife, children, grandchildren and Kay,
Our thoughts and prayers are with you as your beloved
husband, father, grandfather and brother entered his eternal home. It
was a pleasure to have been back door neighbors to the Lowes
family growing up in Wanamaker. Don was the best of the best. We
spoke with Don by phone regarding a medical issue about 5 years
ago, same great fellow! May you be surrounded by God's love and
all the wonderful memories you shared as a family.

Lynn and Judy Fox - August 11, 2012 at 12:13 PM
