“ *Ms.Hirsch was my mother's roommate at Ella Smither. Just want y'all to know that I thought she was one of the sweetest ladies ... I immediately liked her when I met her. I know that she is in a better place now, free of all earthly problems as is my mother Roxie who went shortly before her.*

“ *Some of my earliest and best memories are of my Aunt Doris. I remember my early childhood spent with her and my parents in Southern California as a time full of laughter and singing. She loved me unconditionally. She was a wonderful person, and we are all better for having known her.*

“ *Words are inadequate but we want the family to know how much joy Doris brought to the visiting therapy dog teams - Willow and Corky. The girls looked forward to her companionship and we will miss her. She was a fine lady with a wonderful sense of enjoyment of the world around her. We appreciate the time she spent with us and are better for it.*
