“ *Leverett family, I am so sorry for your loss. She will be missed. I was so shocked to hear of her illness and death. It was so sudden. She was taken too soon. She was a sweet, loving woman I will ALWAYS remember. She was always so good to me. Take care of yourselves and behave, she is watching over you.*

“ *Guys, i can't tell you how sorry i am for your loss. I've known Aunt Doris since I was 17 and she has always held such a special place in my heart. We had many long talks over the years and she always offered not only wisdom but a laugh and a ray of hope for whatever the situation. She shared life with Jess Mamma and watched over her as well. I can't wait to see how she dances in heaven. Be at peace knowing that you will see her there. I'm so sorry we couldn't make it down. Raymond had surgery and wasn't able to travel. Know that we were there in spirit. Love to all. Randi*
