“ *Mary Frances, Buck and the entire Sltt family. So sorry to read of Aunt Doris. You will be in my prayers. Now between Grand-daddy, John Henry and the boys, along with Doris's help, we know the cattle are in good hands.*

“ *I am so very sorry for your loss of Doris. She was always a special person in my life growing up and will never be forgotten. I remember my dad taking me over to see John Henry & Doris and always having the best visits. They surprised us one time by naming their 2 new young calves Jamie Sue and Penny! I am so sorry for losing Doris on this earth but I know this is the reunion she has been waiting for for many years! Her love for John Henry was so heartfelt! I loved hearing her say John did this and John did that...John, John, John...there was never a doubt of her love for John! I'm sure that she is keeping all the other angels up there smiling and laughing! We shall miss her but she will never be forgotten! Love You, Doris!! :)*

“ *Granny Doris:*

You have been such a huge part of our lives. We always had the utmost respect for your work ethics, love of family , hunting skills !! and your love of the Lord. You always said my visits to the nursing home "made your day" but you also made mine. While we are saddened by your passing, we now you are at home with Mr. John, your family and your beloved Boogie and Susie. You will always be in our hearts and we will treasure our times with you. Love, Sis, Gary, Brittany & Spencer
