

Doris Simmank

May 24, 1963 - July 31, 2025

It is with great sadness that the family of Doris Simmank, age 62, announces her passing on July 31, 2025. She was born May 24, 1963 in Natchez, Mississippi to parents Camron and Elizabeth Moore. When she was a small child, her family moved to Angleton, TX. This is where she spent her formative years.

As a young adult, she moved to Huntsville, TX. While being a single mother, she gained employment in the banking industry. After a few years she made a career move and went to work for TDCJ in the Commissary and Trust Fund Department. She was a very dedicated and meticulous employee. Doris was successful in her department and moved up to a supervisory position with ease. Anyone that worked with Doris knew of her dedication and exceptional knowledge within her job and enjoyed having her as a co-worker.

Doris is survived by her wonderful husband Eddie Lewis of Huntsville; son Justin Lopez of Tyler; step-son Seth Lewis of Spring; her sister Donna Wall and husband John of Angleton, sister Diane Morales and husband Joe and nephew Joseph of League City, and sister Dina DeLeon and husband John of Angleton. Last but not least, she is survived by her precious fur baby Chloe. Doris is preceded in death by her parents, sister Deborah Moore and brother David Moore.

The family would like to thank four special ladies, Suzann Vaughn, Belinda Ross, Cassie Scott, and Debbie Williams, for the visits, texts messages and dinners. She always felt extremely loved by these ladies.

We would also like to thank Dr. Abassi and her staff for the care, love and support they showed Doris during this fifteen yearlong battle.

In lieu of flowers, please consider making a donation to St. Jude Children's Research Hospital - <https://www.stjude.org/donate>

The family will receive friends and loved ones for a visitation on Saturday, August 23, 2025 at 1:30 PM at Sam Houston Memorial Funeral Home in Huntsville, with a memorial service beginning at 2:00 PM.

Memorial condolences may be made to the family at www.shmfh.com.

“ *In loving memory of a truly remarkable woman—Doris was beautiful inside and out, brilliant in mind, and kind in spirit. She was a fighter, meeting every challenge with courage, grace, and unshakable strength. Cancer may have taken her from this world, but it never dimmed her light or broke her spirit. She touched every life she crossed with compassion and wisdom, leaving behind a legacy of love and resilience.*

Though her time here was far too short, the laughter she sparked, the kindness she gave, and the strength she showed will remain forever in our hearts.

Gone from our sight, but never from our souls! Love to Eddie and the boys!

“Doris had brains, beauty and a wonderful sense of humor. She had the best laugh that came from deep in her belly. She was a warrior like no other and fought so hard until her poor body couldn't do it any more. She never lost her spunk or her appreciation for the little things. She will be missed and never forgotten. Its not goodbye it see you later sweet friend.
