“ *I worked with your mom many, many years ago at Exxon Brookhollow. She was amazing, traveling so far every day to work, never seeming tired and never tiring of talking about the two of you. She was so proud of her children. I am sorry for your loss.*

“ *Allyson & Carlton,
I am so sorry to hear about your Mom. She always seem to have a beautiful smile and was proud of her family. I enjoyed spending time with both of you during the estate sale. My prayers and thoughts are with you and your families.*

“ *We are deeply sorry for the loss of your Mother and Grandmother. She was such a lovely person and we always enjoyed her company at the many different functions we all attend. We had just gone to dinner and to the singing in College Station last Friday and we all had a great time and were looking forward to next years' singing. She was involved in many of our community activities from the Food Pantry, the Women's Club, the Library and also a member of the Bedias VFD "100 Club". She will be greatly missed by many.*
