“ *I want you to know that your mom and dad were such an awesome couple. They became a special part of my life about 6 years ago when I gave my testimony in church. Even though thry knew the "bad" about me, they took me in and loved me anyway. They both always had a smile and a hug ready for me when I saw them. I miss your dad greatly and I will miss your mom as well. They have a special place in my heart that will always remind me of their sweet spirit.*
