“ *We send you our heartfelt sympathy in the passing of your mother and grandmother. Heaven is rejoicing at the homecoming of Dorothy. She touched so many lives, including ours, and she always shared the love of Jesus with all she came in contact with. She was a blessing to us and our mom, Elizabeth Smith, at Park Manor. We will miss her sweet smile, but only for a short while, til we see her again in Glory.
In His love, Elizabeth, Linda, Lou Ann and Mike.*

“ We rejoice with you in knowing that she is with the Lord but she is missed by us who remain. The Fenners sowed many a good seed into my life and heart and I am thankful for all of them. May God bless you and guide you in this time and keep you in His loving care.

“ I wish to express condolences from my wife and I to all my cousins on the passing of Dot. She was a fun woman to be around as well as a good cook. I know she is in a better place but we will all miss her. I do plan on attending the funeral.
