“ This pic I took last December at the Elsner’s Christmas party. Dot was not my blood , but I thought of her as family. Through the years we had some great times at all the gatherings. I will truly miss our talks and laughs. God gained a beautiful soul.

“ Such a sweet lady and neighbor. She always invited us to come fish and I loved visiting with her. This Summer when we had our granddaughter for a few days, we went over to look for the ducks and she invited us in to visit! Prayers and hugs for Butch, her kids and grandkids.

Dot may you Rest In Peace! As I’m writing this I’m sitting here crying. Not only did your family lose their loved one and god received another angel but I lost a wonderful friend! I will always cherish the fond memories of times spent together. I will miss all our talks and laughs. Thank you for your friendship. ❤️ Rip 🙏

*I met Dot at one of Elma High School's class reunions that she attended with Butch. Reunions are hard to do if it's your spouse's classmates and not your own but Dot could have been one of us. She was friendly, funny and easy to talk to. I'm glad I had the opportunity to know her and I will always remember her smiling face.*
