“ *I am very sorry to for your loss. She was a great person and teacher. I still remember her sending me home to shave. I grew a full beard after graduating and still have it to this day. In fact my nickname is scruffy.*

*My thoughts and prayers are with you.*

“ *My condolences go out to all of Mrs. Lewis' family. Mrs. Lewis was a great Teacher at Coldspring, as well as a great Lady. She taught me two years of typing and two years of Accounting. She was a stern Teacher when she needed to be, but on the flip side she was funny at times. When it was time to do your work or listen to her instructions, then you had better do it. Sorry I didn't make it to the services, but I just found out about it on Facebook. All of my prayers to all of Mrs. Lewis' family and friends. She will be missed in the community and the family. May God Bless All. William J. Gunter, Class of 1990.*

“ I am so sorry to hear of your loss. Mrs. Lewis touched so many lives in so many ways and she will be missed. I have many fond memories of her and am so blessed she was in my life. She taught me things that I use in my life on a daily basis...I'll never forget her, her laughter, her smile or her affection. I am so glad she was able to make it to the Class of '77's last reunion. There is no doubt that she has received her reward on her job well done!

“ Susan, I just heard about your mother passing. Sorry I could not be at the funeral to show my support for you and your family. Mrs. Dorothy was a wonderful teacher and a wonderful lady. She always had that big smile even when Cotton and I tried her patience in typing class. She should have gotten teacher of the year that year. I always saw her and your dad at Lubys here in Conroe when they were over here shopping or visiting the doctor. I will miss that big hug we always had. God bless you and your family and know she is now in a wonderful place and we will see her again someday.

“ Extending my deepest sympathy to the Lewis And Morgan families. I think of Mrs. Lewis often as I type away on the keyboard. Loved her as a teacher, UIL sponsor, and as a wonderful person who brightened our day.

“ Mr. Lewis, Laura, Sarah and Susan: It has been years since I have seen all of you. I wanted to let you know how special your Mom was to my family. I remember hearing "Morgan/Lewis" stories all of my life. I remember many trips to your house so our parents could visit and play cards. You are in my thoughts and prayers.
