

Dorothy Dyczko Sacco

February 7, 1959 - June 12, 2025

Dorothy Dyczko Sacco departed the sultry bounds of earth on the 12th day of June 2025. She passed away at her home in Spring, Montgomery County, Texas.

Dorothy was one of three children born to John Dyczko and Patricia Dyczko in East New York, New York. She was born on the 7th day of February 1959. Dorothy spent her life as a Registered Nurse. She studied at Hunter and LaGuardia College and practiced in New York, Connecticut, and Texas. She spent many years in oncology, home health, and dialysis finally retiring in 2024.

She is survived by her son and daughter Elizabeth Spak and Spenser Russell-Snyder, David Spak and Elizabeth Schoonover, and Grandchildren, Prudence, Zack, Amy, Cara, and Sofia, her sister Helen Ayuso, and her partner Michael Griffin. Her husband Joseph Sacco and brother John Dyczko preceded her in death.

Dorothy's raison d'etre was simple. Service to others. Her life was consumed by her love of her children and family, her patients and coworkers. She relished the art of nursing in all of its aspects. At play Dorothy loved Ballroom Dancing and the competitions, cruising with Carnival and many other steamship companies and, truth be known, had a real flair for those pesky slot

machines at sea and on land.

We love you, Dorothy. As a famous man named Gandhi said, "There are no goodbyes for us. Wherever you are, you will always be in our hearts."
