“ *I loved Dorothy very much and she will be missed by me and my family. Dorothy was my God mother and a dear friend of my mother, Coralee Refsell. Many of my childhood memories include Dorothy and Ewart and our visits and of their chihuahuas named Chica. Dorothy was such a dear friend of my parents and I loved to hear their stories of when they were first married and their experiences at UT. I am very sorry for your loss and hope you know that she was a well loved part of our family as well.*
