“ One of the only good things about being older than those around you is that you have more fond memories of the past. Aunt Dorothy and Uncle Wert were an integral part of the glue that has made this extended family and given it the strength and closeness it has today. With their help and that of numerous other family members, my parents started their lives in Houston as a newly married couple of kids and having just experienced WWII. At Montgomery, I got to see the cold artesian well on the day it came in and learned how to ride a horse (Smokey) and Uncle Wert bought me my first and only cowboy hat. Our best memorial to those who have come before us, and given so much - is to fulfill the obligation to pass it on to our children and their children. I know I am blessed to be part of this family. God bless Dorothy and Wert.

“ Although no words can really ease your loss you bear, just know that you are very close in every thought & prayer. Blowing kisses to Heaven that's what we will do, every time we want to say Mrs. (Dorothy) Sharp "We Love You". Blowing Kisses to Heaven, we know that you loved all of us, we are so blessed & so thankful that God gave us this precious Person & Grandma. Everyone that met her claimed her as their own! Gentle, Caring, Giving, & Kind. Mrs. Sharp was the most unique prize, & we were privileged to have her with us for such a very long time! Now she is receiving the blessings so deserved, & everytime we think of her we will blow kisses to Heaven from our hearts up to her! She was very much an Inspiration when it came to Trail Riding with the Futral Family!
