“ Donna and family, I am so sorry to read of the passing of your mother. I remember her as a caring, kind person. I was able to spend some time with her several years ago and enjoyed getting to know her a bit. I am sorry for your loss but happy for her that she is with those she loves who have gone on before her.

“ Elroy and I know your mother will be missed by all her family. I remember when she and your Dad lived on the farm and we would come for a bar-b-que with all the trimmings. She was a perfect cook then and is now in a perfect place. You are all in our prayers at this joyful time to know she is in heaven, but will miss visitng with her here on earth.

“ I am so sorry I missed getting to see you all tonight! I got the news too little too late. It was an honor to serve and befriend Mrs. Swearingen while at The Lexington Center. She was blessed with an amazing family, yet as I always say, "you can tell what type of mother one was by the way her children care for her in the later years." She must have been the BEST mother, grandmother, great-grandmother, friend... the list could go on and on! She was never alone and the love she gave came back to her two fold (at least). You guys are in my thoughts & prayers as Mrs. Swearingen is finally in perfect health again!!

“ I was so sorry to hear about Aunt Dorothy. She had the sweetest smile. I will always remember her best in the kitchen putting up corn one summer when we were visiting. She is the lucky one...she is in glorious heaven.

“ To the Swearingen Family,
I was so sorry to read about the passing of Mrs. Swearingen. She was one of the sweetest & most Christian ladies I ever worked with. I loved working with her & Mrs. Hattie Wojcik at the S & H Green Stamp store so much. We had just gotten married then and they were full of advice and stories!! It has been several years since I last talked with her and she was doing well at the time. She lived a long and wonderful life and will be truly missed. Please know that your family is in our thoughts & prayers.
