I know you have joined your loved ones and are now walking on streets of gold! And I can't even imagine the sights you're seeing and the scenes you're painting now!

“ Dear Betsy, Mary, and John,
I am very sad for our loss of Aunt Dot. I know that your Dad and Mom are together and that all of Leo's kids are at peace and watching over us. My loving thoughts and concern are with all of your family. This feels like a tremendous passing filled with both sadness and grief. Yet, I know that the love Dot shared with us will keep us going for a brighter future.
