“ *Dear Judy and Bill:*

I heard of Dorothy's passing from Brenda on Sunday, and I'm really sorry for your loss. Although it's been many years since I've known her, I remember your mother as a tender and kind lady. She did a great job in raising you to be the good people you are today, and I know you can take comfort in knowing she lives on in this way through the both of you.

Although I can't attend the services, I hope I get the opportunity to visit with y'all sometime in the future. Please let me know your current contact information, and if you are ever in the southern California area, give me a call at 714-235-9700 so I can be sure to see you.

Hopefully my future travels will take me to your area, and if you're out here, I would be happy to meet up with you and give you a tour of the area if the opportunity comes up. Take care of yourselves in the meantime, cousins.

Love,

*Kelly Templeton
