“ Vicki and family,
I am so very sorry for the loss of your father. My dad has been gone now for almost 8 years and it seems like just yesterday he left us. I still find myself wanting to pick up the phone to call him to tell him about something and then realize I can't. Noone can ever replace our fathers! I know these past days have been so trying but just keep all those wonderful memories you have and pull from those & God's love for strength in the days ahead. Much love,
