“ *Dwana was a big part of my life....she held it together while her world came crashing down around her. She has a brave soul. She loved everyone...she could never say no to her friends and she listened patiently to others problems while living through hell on earth. She was always there for me. I will miss her so very much. I love you Dwana. Thank you for loving Aaron and i...and thanks for your friendship...i will miss you friend!*
