“ You didn't have to say a lot of words to enjoy Pee Wees company. Sometimes just sitting next to him during our family feast was enough to feel him welcome you and accept you as one of his own. I'll miss you Pee Wee but rest assured I'll see you again one day and we will share another family feast in heaven.

“ I have know PeeWee since I was a very young girl dating his soon to be stepson! 😞 I missed their wedding because I was away at a football game where I was a twirler in the band. Still mad that got married on a Friday night! Lol He became my Father in Law in 1977 and then the inly grandpaw my girls had years latter. They have found memories of playing in thr dirt driveway, riding the tractor with him to feed the cows and blackberry picking is just a few. He was loved and will be missed by so many!
