“ Mrs. Stewart;

*I just want to let you know that you raised a wonderful so-n and I was so blessed to have shared- part of his life and he mine. He use to talk to me all the time about how much he loved his mom and sisters. How he missed his brother and adored his children. God blessed my life by putting Gene in my path and never did another man treat me as special and more gentlemanly than Gene. You did well Mrs. Stewart. He was a special one that I miss deeply.*
