“ *Karen,*

Please accept my condolences.

We are distantly related through the Heinemann family from Marion Ohio. I was working on your line (Earl, Spotwell (Wells), Alice Winders Kraner, Jackson and Mary {Heineman/Hinamon}) when I came across your fathers obituary online. I was at once heart broken - I had hoped to ask if he remembered anything of his grandmother Alice or knew anything about Alice's birth mother who died when Alice was an very young.

When you find time, I hope you will email me; I have so much to share and I have a picture of Earl's grandmother when she was a young child in Burlington and a picture of Alice's mother as well.

Again, deepest condolences and wishes to you and yours.
