“ *Dear Mrs. Stewart, Mike, Charlotte and Family;*

I am so sorry to hear of your loss. There are no words that anyone can say to make this time any easier for you. He was always smiling and enjoying his family he was so proud of. If you believe, he will let you know he is ok, for I know this from personal experience. We, still left on this troubled earth, are the ones who will suffer through the physical need of not having him around. But he is around in everthing you do and see, you just have to be aware. I cannot be at the funeral due to my ankle but you are welcome to call at any time just to talk, even in the middle of the night. God Bless Pam Colley Koehl
