“ *Daddy, you were and always will be my HERO. I will miss your smile and your quick wit. Our long talks will forever stay with me and you will be in my heart always. I love you so much it hurts, and my life will never be the same without you.*

My heart is broken and there will never be a way to make this right until we meet again on the other side. So I ask you, walk slowly on the pathway, and listen for my voice, for I won't be too far behind you. Until we meet again, watch over Momma, Devon and me. We need our guardian angel. You were always our protector here on earth, now you can watch over us forever.

I love you Daddy !!!!
