“ TO my beautiful nephew you have been in my life for the past 43 years. Watching you grow into your own right as a man was a joy. You always carried yourself well. When faced with difficult decisions you did what you had to. You stayed the task and raised a beautiful family. Your music was uniquely you, expressive and original. It was always a joy to see you as well as special. We would hear "CLINTS HERE ".and make it our business to get in a visit. I think back to the early years when you would come home (Temple) with the kids. Those were precious times. We stayed connected through technology sharing pictures, words of wisdom, talent, laughs , watching teams loose. You enabled us to see your kids grow up and go off to college . That was huge for you, as well as for us. Just a few memories of our times together, listening to the girls blow up the charts, the wedding pics, CJ spitting out live truth, and all of your beautiful grandbabies, the visits, the big bear hugs are all precious memories. I loved seeing you with the VETS, DJ' ING AND CHEERING FOR DEM BOYS. I love you and thought we would get the chance for one more visit, one more hug . I will always love you . TO the family I do know how you feel and I also know that with GOD and those who love you, you will get through this for many years to come. BE bless and hold on. WE love you , Aunt Faye Gregg

“ My condolences to the Grover family. I met “Clint G” at SHSU and remained friends with him for the past 30+ years. I’m left with a smile when I think of all the fun times and the last time we talked by phone. May God grant the Grover family peace and LOTS of fond memories of my dear friend!
