“ *I am so sorry to read about Ms. Earnestine. She was a very strong and caring lady. I shall always remember her telling me to study hard (SHSU 1991-1995). The Army allowed me to meet a wonderful lady while in Huntsville. God Speed.*

“ *Laura and Rob--Your mother meant a great deal to me. I am thankful that our life paths crossed and I was able to encounter her compassion and empathetic nature. Her strength and determination, love and light, are rarely seen in the world. I will always admire and hold her in the utmost respect. May you find comfort and peace during this difficult time, and know what an impact she had on those fortunate enough to have met her.*

“ Dear Laura--What a lovely picture of your mom! I thought she was a remarkably strong, intelligent woman, and admired her stubborn determination to stay in her home no matter what advice people gave her. You are to be commended for the support you have provided under difficult circumstances. Best wishes from Lighthouse Hospice.

“ I am so sorry for your loss. May God hold your hand through these tough times.

Several years ago while working at the Walker County Sheriff's Department I got to know Earnestine through our association with the E.R.

I always enjoyed visiting with her when I had to go to the Hospital either visiting or working.

“ Laura and Rob, I am so sorry to hear about Earnie--I know she fought a long hard battle. But she sure gave the docs a run for their money-2weeks turned into 3 years! She was an excellent nurse and mentor to many in her field. It was an honor to have been one of her nurses while she was on hospice care. She will be long remembered and cherished. God bless you all in this time of grief and sorrow. Love, Sherry

“ Laura and Rob..I just heard today about your Mom. Ken and I moved to Oklahoma last month. You both know how much your Mom meant to me. Earnie was an inspiration to me for years. She and I laughed and cried together. Even though I cannot be there - you both are in my prayers. I am so very sorry for your loss. Love - Jayne

“ Laura and Rob.. I was so sorry to hear of the loss of such a wonderful woman... Many moons ago Earnie took me under he wing and taught me so much... not only about work but also life. There are very few people in this life that I truly respect and Earnie was one of them. She touched my life and will always hold a special place in my heart. Having recently lost my mother I know somewhat what you are going through and want you to know that even though it is tough right now, with God's help and friends and family, you will make it. And now Heaven has another angel. God bless you all and if I can do anything please let me know.

Love Terri
