“ Good day All. My name is Martin Alcala. I am a real estate broker. I met Ms.Edy back in 1999 when I first started my career in real estate in Keller Williams Conroe/Lake Conroe (Now KW Advantage) as a part-time agent, while keeping my day job as teacher for Conroe ISD. Ms. Edy took me under he wing and introduced me to many of her contacts in the industry. I am proud to say that we worked alongside in many real estate transactions, where oftentimes she represented one of her many clients. Ms. Edy had a strong work ethic, the kindest of hearts, and many years of experience in an industry where knowledge is power.

One day, jokingly, Ms Edy commented to me that a Realtor's job sometimes is "lots of work and little money" referring to the long hours real estate professionals devote to their clients with nothing to show for, other than the satisfaction of serving them well. I replied to the same phrase in Spanish, saying "mucho trabajo y poco dinero". Ms Edy loved the sounding of the Spanish phrase, making those words her own. Ms. Edy always put her clients' interests above all.

May the good Lord keep Ms. Edy in His Heavenly Dwelling.

“ Edy was one in a million. I remember the first time I met her and I remember her gentle spirit of service. The world will be a little less bright without her smile. Yet her legacy will be left in all those she touched.
