“ *Belva, our thoughts and prayers are with you and your family during this very difficult time. As we grieve it is sometimes hard to remember that God has promised not to give us more than we can bear. You are such a strong woman but He will lift you up, give you more strength and hold you in the hollow of His hand along with your family. God's blessings, our love and big hugs from Becky and Nolan Buckner.*

Belva, I'm not sure if you are still monitoring this but I wanted to send you a message to let you know that you remain in our hearts, thoughts and prayers. I know that your holidays will be missing the most important thing in your life, but just to think that Ed is sitting at the table with our Heavenly Father hopefully lends you some comfort. I know that he will be greatly missed in your family and at your holiday table but just know that in spirit he will always be with you and there are many people praying for you. Love Susan
