“ Jack and I attended UT School of Architecture from 1968 through 1973 when we both graduated with a Bachelor of Architecture (5 year) degree. We did many projects together and had much fun. Jack was a warm, funny and kind individual and was a talented architecture student as well as a talented practicing architect. I am proud to have called Jack my friend and I will miss him very much. Rest in peace my friend.

“ *Remembering one of the greatest life friends from childhood, Community Church, and the La Porte HS Class of 1968. Jack and Paula were destined to be one of the world's great couples. Reading of their adult life, their hugely impactful achievements, and countless acts of faith and charity, it's clear they fulfilled that destiny. The greatest of condolences to Paula, Ellen, and the entire family. It was a true pleasure--and honor--to be counted among Jack's host of friends.*

“ *In remembrance of you, my dearest brother, Jack. Our lives were intertwined from fourteen months. Why does it take death to illuminate every precious moment and beg one more? We laughed, we joked, we confided and cried, we lived and we grew. Jack you are alive in my heart and will live there forever. I miss you. I mourn you. I love you. The best brother ever. My brother, my friend, my protector. Rest in the wonderment that you are dearest one, your sister, Ellen*
