“ *Oh, how saddened we are, but how blessed we are to have shared the friendship of Ed and Ruth. Chris & Karen, we cannot imagine what you must be feeling, but please know that we send all our love, sympathy & prayers. It is impossible to share just one memory as there are so many meaningful ones. Some are sentimental and some should not be retold. Have faith and take comfort that these two wonderful people, who loved each other so much, are reunited in the Lord's house. God bless. Love Ian & Jean Davidson. x*

“ *Chris and Karen, I am so saddened to hear of your dad's passing. I will always remember and be grateful for his boat captaining skills and teaching me to water ski, even if it was behind a pontoon boat! I have such fond memories of my time at Lake Choctaw and your parents taking our dog Sooty out on the boat. I am blessed and forever grateful that your parents were two very special and wonderful people in my life. Sending my love to you both and your families at this time.*
