“ *Morgan, I love you girl. So so so much. You've been a part of my life for like EVER! And not just you but your whole family. Nene never said anything harsh to me in all the years i've known her. She has supported me and you and the rest of our teammates at every single game. She didn't care how far away, whether we won or lost, or if we played like crap. It didn't matter to her! She was as much a part of all of our teams as you or me were, and I can't remember a time when she wasn't there for you or the rest of us. I know you miss her, I know i'll miss her too. She is by far one of the most wonderful people I've ever met in my entire life. Your mom and dad are amazing too, also coming to all our stuff. And PePaw, one of my favorite guys :) You have a great family, she left behind some amazing people. I'm here for you, your brothers, your parents, anyone I don't know who needs me, i'm there for your family! I love ya'll, and i'm going to miss Nene like it was my own grandma, she was a great person and everything will work out love. I love you! --Jennie, Jennay, Poodle, or as Nene would say: Little Jennie :)*
