“ Dear Marie, we are saddened by the passing of your dear sweet "Bull". We met when you bought the house in Montgomery, Texas next to ours. We soon became neighbors, and instantly became friends. We will miss him and feel for your pain. God bless you and lift you in the days ahead. I have written a poem for you and your sweetheart. 5-16-08

THE DAYS AHEAD

*The days ahead are without you
and I am at a loss.*

*The road is dark, and I'm alone
at night I turn and toss.*

*My heart was broke, my eyes were blurred
as stings of tears remain.*

*I could not think, my brain was numb
my energy had drained.*

*I prayed to God to heal my heart
from grief I have of you.*

*And slowly He is lifting me
out of the deepest blue.*

*The days ahead are filled with joy
when I see the skies.*

*And memories live through hearts of love,
in twinkles of your eyes.*

-Melissa C. Murphy-Mize

*Thanks for the loving friendship, and all that sweet golden honey.
God bless you and your family in your days ahead.*

“ With our love to you all at this sad time.

Even in the brief time we spent with 'Bull' we knew he was a real character a vital and fun loving man, we enjoyed him very much.

He is probably chilling with the angels and polishing his gun...

We feel for you all so much, anything we can do at all please just ask.
