

Eleanor Harriet Roberts

March 1, 1939 - January 2, 2019

Eleanor Harriet Berg Roberts of Montgomery, TX was born March 1, 1939 in Seattle, WA to Robert and Iva Clare Berg, and passed away on Jan 2nd after a prolonged battle with Alzheimer's. Eleanor attended West Seattle schools through high school. Eleanor then attended Washington State University in Pullman, WA where she met Lon Roberts on a blind date. She and Lon were married in 1960 after receiving her teaching degree. Lon and Eleanor started their married life in Anacortes, WA where their three children were all born. They then together began a corporate nomad life living in Baton Rouge, LA on two occasions, Houston, TX twice, Bayonne, NJ, Amarillo, TX and Wilmington, DE. Eleanor held a series of teaching assignments in most of those cities and also earned a Master's Degree from Louisiana State University during their second stay in Baton Rouge. Eleanor was quite artistic, an accomplished seamstress, a master gardener, an excellent cook and enjoyed many years of golf – including a hole-in-one! She also went on ten consecutive annual "Spring Break" trips to various areas of Europe with four of her dearest friends. Those who loved her and will miss her dearly include her husband of 58 years; her children, son Michael (Julie) of Galveston, TX, daughter Leslie Roberts Mohr (David) of Baton Rouge, LA, and son Dennis of Katy, TX; her loving grandchildren, Jake Roberts of Plano, TX, Katie Roberts McConnell (Euan) of Houston, TX, Brittany and Ashleigh Roberts of Katy, TX, and step-grandson Tres Mohr of Baton Rouge, LA; her sisters Barbara Berg of Seattle, WA and Suzanne Akers of Green Valley, AZ.

The family extends a very special “thank you” to Olimpia’s Senior Care in Willis, TX for the love and excellent care given to the lady they lovingly referred to as “The Princess.” Olimpia is truly one of God’s special Angels! At Eleanor’s request, there will not be a formal service. Condolences may be left at www.shmfh.com.
